FALMOUTH HIGH

A Day In The Life

During the 1985-86 school year we were witness to a great variety of events, some which were minor and some which were quite momentous. Certainly no one will forget the space shuttle disaster and the endless video replays of the explosion. We will, no doubt, hear more about the struggle of Blacks in South Africa and hopefully there will be more summit meetings and progress on the control of nuclear weapons. Whenever there is a storm warning and the wind bends the trees we will remember hurricane Gloria and how she brushed by us at the last minute. We will remember the feelings of pressure as the end of our Senior year loomed ahead. What do we do with our lives? The service? A job? College? (Four years at some colleges costs almost as much as our parents' house cost not too long ago!)

The big events are not likely to fade from our memories - but what about the little things? We will always remember our best friends and the special times which we shared . . . but what about the day-to-day routine at school? In the following 16 pages, the yearbook photographers have attempted, over the span of 18 hours on Friday, January 17th, to give us a glimpse and to provide us with a record of what it was like to be a student at Falmouth High on a fairly ordinary day.

A Day In The Life

"... Ah hey, oh, my my my", my cat yelled as I stepped on it while getting out of bed. I kicked my buzzing alarm clock across the room, and the hands went flying off.

I looked out my window and noted it was still dark outside. It was 6:15 and as usual I was late getting into the shower. I turned the water on and kept moving the dial waiting for the hot water to hit me. I moved the dial all the way to hot, and it was still cold. I made a new record of washing my hair in 39.2 seconds.

I combed blobs of pink hair gel into my hair and turned the record player on. Sounds from Sting reverberated through my bedroom walls. My mother was soon yelling at me, "turn it down and come get breakfast." I dressed in black,

grabbed my books, and ran out the door. I ran down my street hoping the bus hadn't come yet. The bus lurched to a stop and we, the passengers, boarded. I stepped up onto the bus, sat down and opened my English book. I began to read and tried not to listen to the girls telling the entire bus about their weekend (especially the part about the Mazola twist-er game). I soon realized we were going slower than usual on our mission to school, and as we rode in the breakdown lane row by row, it was soon learned we had no brakes!!!!

We slowly made our way to school that morning, "but safely," we were

assured. When we came to intersections, the busdriver simply yelled, "get out of the way!", to cars in our path. Needless to say I arrived at school looking somewhat more frazzled that day and stopped people in the halls to inform them, "I rode the Hell Bus to school!!!"

I strolled into homeroom, picked up my mail (3 unwarranted detentions, an in-school or two.) I went to my locker, twirled the dial to the allotted numbers, planned my attack so my stuff wouldn't

fall out as I opened the door, and jammed my bookbag into the path of the falling debris.

After grabbing my History and French books, I took a seat near the window,

eyeing the tomato that someone had thrown against it a week earlier. How long would it be I wondered, before it either fell off or a janitor removed it?

I finished my homework, stopping

only for the pledge to the flag. I could hear parts of the daily announcements; ". . . Pizza with topping, jello, . . . S.A.D.D. meeting today."

The light flashed and we were off to

our first class. I always felt awkward in French class being the only senior in a primarily freshman class. I tried to ignore them as they threw little bits of paper at each other. I thought back to

when I was a freshman, and mentally I forgave them for their actions.

I looked at the new graffiti on my desk; "Why me?", "I love BoB", "Chaka". After what seemed like ages,

the light flashed and students realized it was time to talk in the halls.

While walking the halls, I said hello to friends, stopped at a water fountain to pop a few No-Doz, and saw my least favorite person coming towards me. I thought to myself, "Oh no, please let her walk by, look at her outfit-doesn't she know people stopped wearing one glove three years ago!"

A smile wove it's way across her mouth as she spotted me in the crowd. She immediately yelled "Hi". "Hi", I said while looking at the carpet.

I always dread fifth and sixth blocks, Gym time. I have volleyball, which wouldn't be bad except for the few very annoying people who find it nescessary to hit the ball no matter how fantastic a set-up it is, this includes running over people in their path. They keep their eyes on the ball and follow it, (just like a good hunting dog). It's very frustrating for the victims.

I gave up trying to hit the ball, and ran to change clothes before lunch.

Lunch, as always, was an interesting event. There are two tables of students who find it fun to throw food at each other. Our table happens to be right in the line of fire.

I made it through lunch without getting hit by any flying food and moved on.

I saw my friend Jen up ahead, so I ran to catch up with her.

"What's up?" I said, catching my breath.

"Nada", she replied. I assumed she had just gotten out of Spanish class.

"Are you still planning on going to the dance tonight? The Edge and Reality are playing."

"Of course", she said. "I want to see that cute guy with the mohawk, he plays guitar for The Edge."

"He's got a girlfriend, and besides, aren't you going with Jim?"

She gave me an annoyed glance, "I know, I know, but I can dream, can't I?"

FIRE ALARM

Robbi Jo Harvey

Audrey Borowski

"Sure, as long as that's all you do." I smiled and waved good bye. I couldn't be late for History, Mr. O'Brien has no sympathy for tardy students, even if it's just by a few seconds.

Classes dragged on, until the blessed event of the day took place. The final light flashed.

I pushed my way through swarms of students in the halls, and ran to my locker in the cafeteria. I headed for my bus on the outskirts of the parking lot. The brakes had supposedly been fixed and we soon zoomed out of the parking lot on our journey home.

DEDICATION

We, the Falmouth High School class of 1986, proudly dedicate this yearbook to our advisor, Mrs. Martine Cotton. It is the least that we can do to show our appreciation for the genuine interest in our work that she has shown us through the years.

Mrs. Cotton's selflessness shows through in her teaching of French and as an advisor to the French Club. Somehow, she is able to juggle the roles of wife, mother, teacher, and advisor. The inspirational part of this is that she does each successfully and apparently with ease.

Mrs. Cotton will proudly tell anyone that she has known many members of the class of 1986 since her days at Lawrence School. Regardless of how long each of us has known her, Mrs. Cotton has always been the person to see for helpful advice, a good laugh, or the latest class "information".

Anyone who has participated in a class activity will have fond memories of our "class advisor". The calming influence of the freshman class show, the salad preparer at the sophomore spaghetti supper, the always inspired and very pregnant decorator at the prom, or the tree salesperson during Christmas Tree Sales, this brief list should bring to mind "Madame" at her best, smiling, laughing, and offering a helping hand.

We are exceptionally pleased that the 1986 yearbook is being dedicated to such a fine person. Her love for us has shown through all the work that

she has done with us and for us. May our love for her be present in this dedication and in her heart forever. Madame, thank you for being a friend.

In 82 freshman year started w/Country. I had my times w/DC, DC, JC, SN, PB, and JJ. Then there was PC, and of course JH in the summers. Gymnastics, soccer, running, and jumping filled my days along w/a trip to Spain in 85 and as many road trips as possible. In 86 Senior year ends w/graduation, a dreaded state-meet, and a long awaited week on an island. Music is a way of life so say it w/a song. Keep the Edge. Bye Bye.

F O O T B A L L

The Football team finished its 1985 season with four wins and six losses. Coach Gus Giardi, in his last year of coaching the Clippers, was pleased with his team efforts, which he had initially predicted to be strong enough to go 7-3. Because of a plague of injuries, however, which forced Coach Giardi to draw on third string players in some cases, the team did as well as could be expected, and played with even more enthusiasm to get the job done. Coach Giardi believes that the "Reasons for having an athletic program are for teaching values and discipline, and this year's team did this."

The team was led by cocaptains Greg Giardi and Dan Sherwood, although the whole senior class made up the backbone of the team unit. The Clippers' talented team contained several award winning players. Among them were Matt Rocheleu, Rob Prenderghast, John Robertson and Chuck Lindberg, who were named to the All Conference Team. Greg Giardi, was also named to this team as well as receiving the honor of a spot on the Division III All State Team.

Of his coaching career with the Clippers Gus Giardi says: "I am going to miss Falmouth. There is outstanding cooperation from the kids, and I see a good foundation for future prosperity in Falmouth Football."

1st row; Eric Sabo, Tom Burke, John Robertson, Brian Ferreira, Chuck Linburg, Dan Sherwood, Greg Giardi, Greg Lenox, Matt Rocheleau, Eric Jackson, Vinnie McGuinnis, Mike Gonsalves. 2nd row; Pat Gaspa, Bill Stone, Ricky Brousseau, Jim Scalli, Pete Richardson, Greg Pokraka, Rob Prendegast, Allen Bohnert, Steve Portentoso, Kevin Webb, David Proctor, Allen Parsons, Dwane Alves. 3rd row; Ray Gonsalves, Paul Rossi, David Frank, Kirk Appleman, Jordan Giest, Pat Harrington, Dan Pimental, Mike Lipp, Bob Ingalls, Daryl Frye, Rich Molloy, John Bearse, Mark Parsons, Russ Grinnell. 4th row; Mark Rozum, Shay Perry, Jon Michael, Mark Warner, Eric Jensen, Pat Silvia, Jason Colbert, Todd Olivera, Paul Anderson, Paul Svagdis, Jim Bass. 5th row; John Smith, Kevin Doule, Joe Dutra, Brian Guthrie, Jeff Pinto, Sean Jackson, Mark Phinney, Kurt McDonald, John Hinckly, Chip Anderson, David Bowser. 6th row; Jeff Robichaud, Coach Tom McMamara, Coach Bob Murry, Head Coach Gus Giardi, Coach Mike Rainee.

GIRLS SOCCER

1st row; L-R (kneeling); 1. Andrea Pampalone, 2. Katie Miller, 3. Kelly Pacheco, 4. Michelle Marken, 5. Chara Kessler, 6. Michelle Mulhern, 7. Sophia Pampalone, 8. Erin Farrell 2nd row (kneeling); 9. Laura Phillips, 10. Jackie Mulhern, 11. Paulette DeCoste, 12. Courtney McCarthy, 13. Jane Smith, 14. Jean Beardsley, 15. Laura Kilday, 3rd row; 16. Ann Marie Consalvi, 17. Chris Goulet, 18. Meka Aguirre, 19. Lisa Strock, 20. Kelli Dottridge, 21. Julie Cherau, 22. Tara Smith, 23. Kim Fazzeio, 24. Jill Collins, 25. Heidi Bauman, 26. Missy Rose, 27. Kim Basey, 28. Goody McKinstry, 29. Ellen Dunn, 30. Coleen O'Leary, 31. Coach Greg Gilbert

The Falmouth girls soccer team, competing on the intramural level had a fine inaugural season, posting a record of 1-1-2 in its four contests against other Cape teams. Coach Greg Gilbert was pleased with his team's efforts particularly because Falmouth had no freshman team, while its opponents have separate freshman and varsity teams.

The squad's roster of about 40 girls was termed "remarkable" by coach Gilbert considering the number of other activities open in the fall.

The teams starting lineup, led by co-captains Kelly Pacheco and Sophia Pampalone, was assisted by senior standouts Andrea Pampalone, Michelle Mulhern and Michelle Marken.

As far as the future of girls soccer is concerned, coach Gilbert feels strongly that the team is ready to be added to the interscholastic sports ranks in 1986 and expects Jill Collins to make waves as a powerful force at striker, while Lisa Strock, Kim Basey and Julie Cherau also promise to be formidable adversaries.

First row (L to R): Pam Bostwick, Joanna Lowell, Claire Fein, Cathy McGowen. Second row: Mrs. O'Brien, Amy Guiliano, Gail Lajoie, Kerry Landry, Tina Wisnewski (manager).

CROSS COUNTRY

1st row left to right-Eric Hallstein, John Beagan, Mark Hayward, Gray Eldridge, Jason Goux, Deb Casso, Jen Cummings, Daryll Canepa, Kelly Salter. 2nd row-Ed Beagan, Dylan Lissette, Don Delinks, Dillan Latin, Marcus Hullum, Tom Dion, Heidi Hobson, Heidi Hullum, Pam Cherkofsky, Dan Hughes, Sean Hale. 3rd row-Mrs. Shirley Cullinane, Tim Lindner, Sean McKay, Peter DeMello, Michael Moniz, Frank Belford, Rob Slaght, Kevin Romiza, Jason Cullinane, Sarah Clifford, Paula Cherkofsky, Liz Beagan, Heather McLaughlin, Al McAllister, Ellen Freund, Melissa Dole, Coach Tom Turkington.

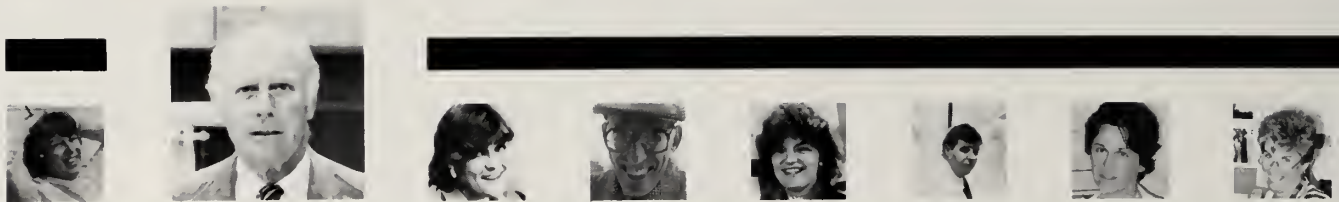

The Falmouth Clipper boys Cross Country team verged upon sheer perfection this season, winning all seven of their dual meets virtually uncontested by their opponents. In addition to dual meets, the harriers of Falmouth High also dominated several major regional meets including the Our Lady of Providence and Manhattan Invitationals.

Coach Tom Turkington, chosen as "Coach of the Year" by the Boston Globe, calls it a magical season", and refuses to accept credit for his teams success, claiming that "This was a self motivated team, and very little was expected of me." John French, the team's number one and nationally ranked runner led his team through a stellar season culminating in the capture of the Massachusetts All-Class State Crown with a point score of 50, the lowest in the meets' eighteen year history.

French had numerous outstanding athletes to back him up in victory. Six of the team's members made Conference All Stars, while French and teammate John Beagan earned a position on the prestigious "Boston Globe All-Scholastic Team."

The girls, meanwhile, were working on a fine season of their own, completing their seven meet schedule at 5-2. The girls did a respectable job at the many regional meets, placing third in the SMC meet, fourth in EMass. Division I, and thirteenth in the All Class State Meet. Liz Beagan and Pam Cherkofsky shared the number one spot all season, while Heather McLaughlin made a courageous recovery from a foot injury half way through the season to struggle into her position as third runner. Liz, Pam, and Heather all were chosen for the Cape and Islands team, and Liz and Pam were also selected for the SMC All Star team.

The Falmouth Gymnastic Team was in a very competitive league this year. We began and ended this season as underdogs. It was a very young team, consisting of 3 juniors, 11 sophomores and 6 freshmen.

This year's captain was sophomore Kristen Forns. Kristen competed on the vaulting horse and in the floor exercises. Tracy Boddy, a junior was chosen this year's most dedicated gymnast. The most valuable player, or gymnast, was Tara Smith, a sophomore. The most improved gymnasts, this year, were Sue Catrona, a sophomore and Cheryl Booth, a freshman. Each year two special awards are given to members of the team. One award is for sportsmanship and the other is given in recognition of a freshman gymnast whom I feel has shown the most potential during the season. This year, Kim Bevans, a sophomore received the sportsmanship award, and Andrea Studley received the freshman special award for most potential.

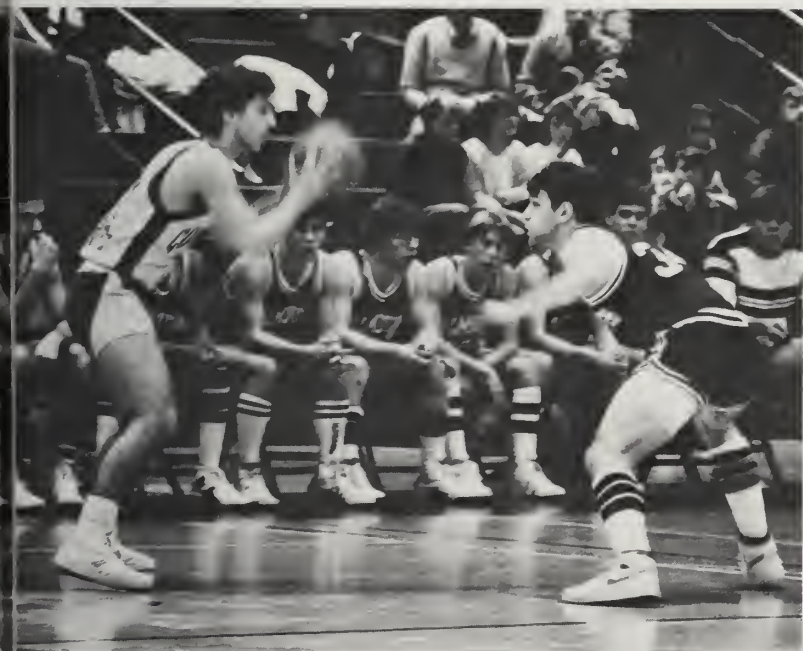

We hope to increase our coaching staff, our talent, and the number of gymnasts participating, by recruiting some of the junior high school girls, who will be attending Falmouth High in the fall of 1986. We're looking forward to a competitive and exciting season next year. It has been fun working with the girls gymnastic team and I hope they have enjoyed working with me as much as I have with them. The Girls Winter Team went undefeated to win the First S.M.C. Winter League. Lorrie Coronella, Pam Cherkofsky, and Erin Farrell were the teams high point getters. In the tough Class B State Meet Falmouth scored 22 points. The high point of the meet was the 4x440 yard relay team which won the gold medal in 4:11.7. Two freshmen-Heidi Hullum & Heidi Baumann, a sophomore-Traci Sangster, and a Junior- Lorrie Coronella got the gold medal. Lorrie also placed sixth in the 600 yard run, while Sharon Lacerda placed sixth in the 300 yard run. Pam Cherofsky placed fifth in the one mile run while Tracy Linder placed fourth in the 50 yard hurdles. Freshmen Heidi Hullum broke the freshmen 300 yard record twice in the State Meet. The loss of Tri-Captains Erin Farrell, Tracy Linder, and Sharon Lacerda will be hard to replace.

From the Editor:

It seems ages ago, and then again it could just as well have been yesterday when I first came to a Yearbook meeting and asked if there was anything I could do. That was probably my first mistake, the second was sticking around to hear the answer!

There is a tremendous amount of work that goes into the production of a Yearbook and it takes a group of dedicated people to accomplish it. My hardest worker award goes to Jim Wight-Waltman for his attention to countless details, untold hours, and above all, patience. Also, my sincere thanks to Russie and Daniel (Jim's family) for keeping him sane! This year's crew was a special one. First of all, it was comprised of all girls - watch out next year Jim! To them I grant the award of being the liveliest

group that I have ever worked with. You kept me on my toes - and awake. Seriously however, this group was a great time - one I will never forget. Thank you. My gratitude also goes to Joanne who helped me maintain my sanity at times. And then there is Norval, our rep. from Jostens, always ready with an idea or two - take it easy Big Guy. Lastly, thanks goes to all of those people in the school who make everything go smoothly - I'll miss you.

Love,
Clayton

Seeing that my staff has left me only the tiniest of spaces, I will be brief! "Thank You's" from me to; our Business Managers, Ruth Austin and Mary Bishop - their time and hard work; Russie & Dan - last minute art work; Norval - ideas and advice; and Aletha Bird, for her detailed brighteners. And finally, heartfelt thanks to our graduating Editors-In-Chief, Clayton and Joanne - easily two of the most outstanding and capable editors with whom I have ever worked . . . you're a hard act to follow. Good Luck, Jim Wight-Waltman

GIRLS LACROSSE

The 1986 Women's Lacrosse Club started the season with 85 girls signed up. About 40 girls were involved in interscholastic competition. Senior playmaker Pat Tessier served as captain. Several sophomores and freshmen were active participants (with 75 sign-ups from these two grades). Sophomores Janine Johnson, Sue Catrona, Tracy Pratt, Delra Despault and Liz McLeish were standouts on the varsity level. Juniors Jen Boyles, Caryn Bertozzi, Laurie Cranshaw, Andrea Harding, Janet Clark, Laura Philips, Nancy Ruggeri and Jen Chance were the workhorses for the team. Senior Carla Sullivan and Freshmen Sara Killon, Connie Palanza and Kathy Boylon were counted on to contribute.

The season was highlighted by a 6-5 comeback victory over Sandwich. The Falmouth squad was down 5-2 in the second half but the girls rallied for four goals to win an exciting grudge match. Sandwich had previously beaten Falmouth 7-2. Both games were played on Sandwich home turf. Falmouth also beat Cape Cod Academy twice, home and away. With the younger talent available and the strong leadership of the junior class, Falmouth girls lax should be a force to be reckoned with in the future.

BOYS
TRACK

Front row (kneeling; l to r): Christian Weeks, Mark Parsons, Alex McCleod, co-captain; Michael Casso, Greg Giardi, Jeff Butts, John French, Richard Melloy, Russel Grinell. Second row (L to R): Robert Slaughter, Mark Pheeny, Dan Hughes, Daryl Anderson, Patrick Colonna, John Beagan, Travis Weibe, Sean Scully. Third row (standing); Aaron Miranda, Coach Bruce Mogardo, Frank Belfiore, Lee Piazza, Jason Cullinane, Matthew Auger, Marcus Hullum, Tim Lyndner, Coach Paul Phinney, Mike Gardi.

The F.H.S. Spring Track Team had a successful season for 1986, winning four of their six dual meets. In fact they lost the conference title by only 12 points. This being split between the defeats by New Bedford and Attleboro.

The squad smarted from the loss at the D-Y Invitational last year so they worked very hard and brought home the trophy on May 3, 1986.

At the conference field day John French set a track record in the 880 of 1:57.2, just nipping tri-captain Chris Simpson. Simpson then went on to set a state class B record of 1:56.2 on May 31, picking up the 1st place medal in the process.

In the same meet Frenchy came from behind and also took the Class B Mile Championship Medal. Not to be outdone, John Beagan pulled off the triple effort of the day and brought home the gold in the 2 mile. This Junior has a potentially great season coming next year.

At the Glen-Loucks games in New York John French set an All-Time record for F.H.S. and Cape Cod by running the mile in 4:14.9.

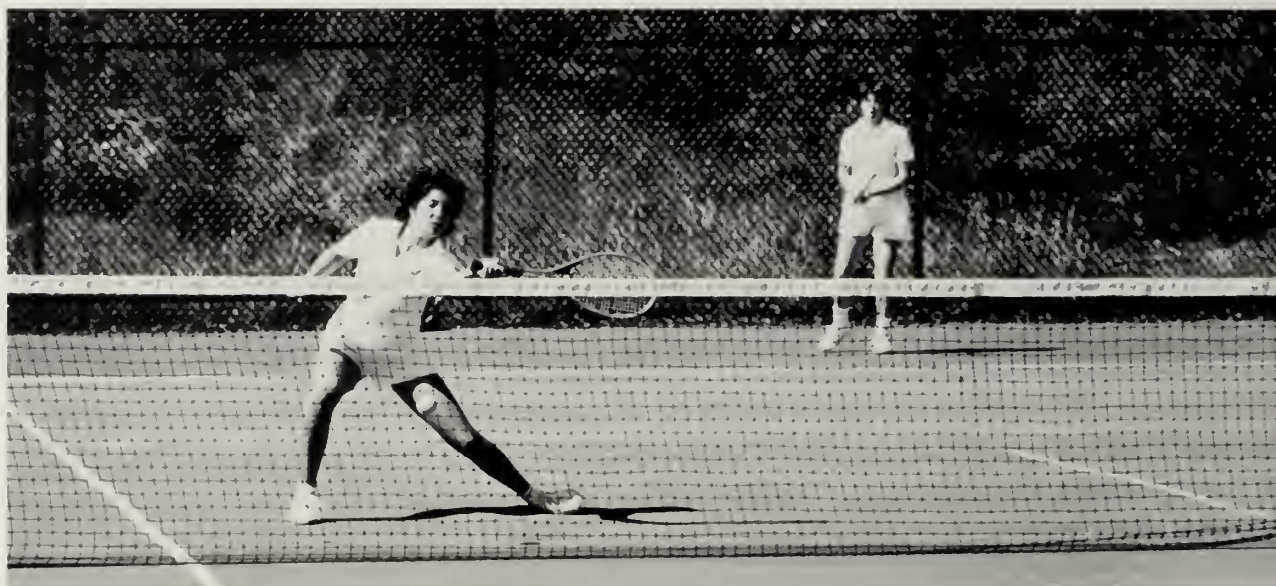

Since starting the running season back in December, Chris Simpson amassed a record total of 279½ points. He will be sorely missed next year.

Coaches Mogardo and Phinney cannot praise the three captains, Simpson, Giardi, and Casso enough for their fine leadership. Their performance and character set a sterling example for all. They were especially encouraged by the rivalry among the freshmen and sophomores as they battled it out to gain the 1986 class records in the various events.

Jacquie Mulhern was fourth in the Shot Put. Falmouth got two places in the 400 meters with Lorrie Coronella (3rd) and Heidi Hullum (4th). Tracy Lindner was fifth in the 100 Hurdles while Sharon Lacerda was sixth in the 200 meters. The 4 x 400 meter relay was won by F.H.S. (fifth straight year) in 4:06.9 by a team of Heidi Hullum, Traci Sangster, Lorrie Coronella and Sharon Lacerda. Falmouth was 5-1 during the dual meet season.

The boys tennis team completed another successful season, compiling a 12-5 won/loss record and qualifying for the Division II South Sectional Tournament. The sophomores faced strong competition from perennial powers Barnstable and Somerset.

Following early losses to Somerset and Bishop Connolly, the team regrouped and went 9-2 the rest of the regular season, its only losses coming against Barnstable. Against Cape rival D-Y, the team won easily at home, 4-1, but had to rely on a 3-2 win on the road.

In another exciting match, Sr. Tim Keough rebounded from a 5-2 deficit in the third set to win in a tie breaker and secure a 3-2 win over Bishop Stang. The biggest win for the team came at home in a rematch with Somerset. Behind the strong doubles play of Sean Condon and Greg Eldridge, and John Gagnon and Brian Carragher, Falmouth took an early 2-0 lead. Singles players Joe Sweeney, Ted Shea and Bill Shea responded by beating their opponents to complete a 5-0 Falmouth sweep.

The team lost a disappointing first round tournament match to Attleboro 3-2 and finished the season 12-5. Because of their consistent play, J. Sweeney, B. Carragher and J. Gagnon were Selected as S.M.C. I All Stars.

The highlight of the season came at the end when Falmouth upset tournament bound Barnstable 9-2. New Bedford High School won the conference title.

Individual standouts were Craig Kozens, John Vinitzky, and Scott MacKilligan. Capt. Kozens and Capt. Vinitzky made S.E.C. Div. I All Conference.

Temptation

Day to day the sunlight makes me
 happy
 I'm glad to know that God is all
 around
 Then darkness comes; I can no
 longer see
 And none who will protect me can
 be found
 Sometimes I sense a visage in the
 night
 And feel its icy hands upon my
 back
 I pray I'll find a figure dressed in
 white
 But turn to face a demon all in
 black

You'll Never Know

You gave me the wings
 and taught me to fly
 You didn't hold back
 You showed me the sky
 You have me the world
 On a silver tray
 You taught me of love
 And the games people play
 You gave me the strength
 To stand alone
 And all of the confidence
 To make it on my own
 You gave me it all
 But you'll never know
 Just how much
 You helped me grow

Moment

It was a moment that seemed to last on eternity.
 A moment of happiness I felt not even time could, or
 would take
 away from me.
 But like a snowflake, on contact with warm soil,
 Time melted the moment away . . .
 To a memory . . .
 A part of yesterday.

All good things must come to an end.

School days are the days we have known.
 In that crazy daze we all have grown.
 Making ourselves get to school, we have kept to
 Yet many a class have we suffered and slept
 through.

Working our ways through the halls without passes!
 Here we've found friends we'll never forget.
 Learned things the hard ways we'll always regret.
 In this building that we've rocked and rolled,
 Somehow and somehow we've all been controlled.
 Because of restraint, we all have learned well.
 That in this country, we can always rebel.
 Our thoughts and our minds have gone into this
 place.
 Though our eyes often wander to a clock's face.
 School is a place where much time has been spent,
 Yet still I wonder where all that time went.

By Sheila Boyce

Love is not a thing to be
Bought and paid for.
It is a thing of
Priceless value.
Treasure it.
Cherish it.
Make it last.
Treat love kindly and
With respect.
It will do the same
To you.
Do not take love lightly
For it is not a game
It is a once in a
Lifetime opportunity.

By Heather Milliman

There is no God.
A force
once upon a time
that exploded
into an infinite amount of pieces.
The big bang.
Everything is part
of this force.
Our bodies are supports for
them.

What created the force.
How could something
always be?
The way I learned,
things are created.
Wiping away this thought
everything just always
was.

Simple . . .
Our mind and brain are
a different two.
My brain controls my physical
My brain makes pain
and strange diseases.
My mind is my own
It has feelings
It can dream
It can love
I can control my mind.
and space . . .
How far does it go.
Are there solar systems
outside ours.
Or
does our solar system
stop.

After what scientists have
seen does
it look like a
circle cut out of paper?
People . . .
are we real?
We could be the chess
pieces of some intelligent
life.
We could be something's
dream.
People are ignorant.
Does anyone have
The answers?

Hold On To Your Dreams

Hold on to your dreams
Don't ever give in
If you keep trying
You're going to win.

Hold on to your dreams
Though sometimes it's
hard

Just hold your head up
And reach for the stars.

Hold on to your dreams
Though they seem far
away

And those dreams will
come true
Somehow, someway.

When clouds are around
I reach
In my pocket hoping
to pull out your
smile.
Bur o
smile
You can't hold or least
Not in your hand
and that is what makes
It so precious.
For if you could hold o
smile
anywhere
but in your heart,
It wouldn't mean much to
me.
Because o
smile
should be given, it
shouldn't
be bought. So
smile
And give one
to me!

 That $PV=nRT$,
 Or electrons we can't even see,

Memories of F.H.S.

The many losing friendships
 The sharing of both laughter and tears
 Some very special moments,
 That I can look back on over the years
 We've shared the best of times,
 The worst of times and all the inbetween times too!
 Isn't that what all friends do?
 These memories I know I'll never forget,
 They're very special to me
 But now it's time to try different things
 For each of us to spread our wings
 To put ourselves to the ultimate rest,
 To try and do our very best
 Let's show the world what we can do,
 But hold on to our memories too!
 Goodbye F.H.S. Good luck, class of '86!

Pep-Squad 1986

It all started off slow,
No one was there ya know
But we wanted to show them all, our valor unbending
That we could make it on our own,
The reward would be inspiring
It was rough, and the aggravating
But through it all, we still remained never ceased to end,
The highest of hopes, pride and more valor,
Was hope beyond hope, high and more valor,
Our friendships shall soothe these restless adventures,
With lives endless hope, pride and power,
This sorority of girls could tell you,
Our friendships shall soothe these restless adventures,
Of the years we grew and now bid adieu,
That Pep-Squad has made friends out of enemies
Coordination our of uncoordinated people,
And have seen friendships develop and grow,
That I will miss most,
We must now say good-bye,
To a squad that helped build our morals and prides
We leave with high hopes and good cheer
And know that we will always have a family here
Or tears from the clouds of summer,
Pep-Squad is All, All part of the heart!!

You go through school constantly anticipating the satisfaction and joy of finally
graduating from high school, however, when you put on that robe, you shake your
head and say to yourself, "Hey, I'm in no hurry," but by that time it's too late. You
suddenly realize that the many things you've taken for granted will no longer be part
of your life. You're on your own now. Be strong, and above all, believe in yourself.

Cheerless Clown

I saw the tears in his eyes,
like a drop on shimmering glass.
His cheeks so rosy red,
His face so like a mask.

The dimness of his smile,
was as doleful as an eclipse.
Like shadows falling near,
to veil his ashy lips.

Never had I seen,
such a woeful down as he.
Who brought sorrow to my face,
and so much saddened me.

Our Last 4 Years

We started our Freshman Year in 1982.
Nervous and scared, together, day by day we grew.
We learned to hold our own in our Freshman team.
And some of us even ventured to walk out in the
mainstream.
Then our first final exams came to us in June.
We didn't have a care, Sophomores we'd be soon.

We started our as upperclassmen in 1983.
Spaghetti Supper, Car Washes, We made lots of money.
Next came our Junior Year, with so much for us to do
PSAT's, SAT's, Achievements come to you.
Successfully we worked our Junior work weekend.
Then there was the prom for you and a special friend.

Then in 1985 we came here in the fall,
Finally we were the oldest class of all.
Again we had SAT's and then college applications.
The pressures sure built up, we needed those vacations.

We sold our Christmas trees starting in December.
Then all the acceptance started to come in.
The "Pats" were in the superbowl but they didn't win.
"The Dining Room" it was called, our Senior play.
Brought us even closer to that big, big, day.
Our Senior prom was great but it was over very fast.
Our exams and then May 20th, it was here or lost.
We had our Awards' Night, and the banquet at New
Seabury.
Then May 30th our Graduation Ceremony.

After it all was over and all was said and done,
For the class of '86, Life had just begun!

What Did You Think

What did you think
 I would do at this moment
 When you're standing before me
 With tears in your eyes
 Trying to tell me that you found you
 another
 And you just don't love me no more

What did you think
 I would say at this moment
 When I'm forced with the knowledge
 That you just don't love me
 Did you think I would curse you
 Or say things to hurt you
 'Cause you just don't love me no more

Did you think I could hare you
 Or raise my hand to you
 Now come on you know me too well.

I was walking through Boston one day with a friend.
 When a great line of people walked by end to end.
 They were carrying signs with intent to rebel.
 With tee-shirts to march, and on one my eye fell.
 And now with conviction, I'll repeat if I may,
 That "Laboratory animals never have a nice day."
 My friend and I laughed and said it was true,
 Some people seem to have nothing better to do.
 But as they marched on with direction and cause,
 I had a strange thought, and here's what it was.
 Perhaps thousands of rodents die season after season.
 And who can tell them it's for a good reason?
 The answer it came, and was obvious to see.
 If a laboratory animal I were born to be.
 I'd sure want someone marching for me.

Nobody knew that this day of all days would be a day that will forever be remembered as a day of pain and horror. How could they have known . . . the space shuttle was set for launching at 9:00, Tuesday morning on January 28, but it was delayed for more than 3 hours. Finally after much consideration it was ready for launching. The teacher in space, Christa McAuliffe was given an apple for good luck from one of the technicians from the launching pad, she needed it more than he knew.

The space shuttle was ready, the count down began. Spectrators from the bleachers were patiently awaiting the starting of the huge engines that would put their heroes in space 10 9 8 7 6 5 4 3 2 1 blast off the parents or family members cried with joy as the massive space shuttle took off into the deep blue sky.

The next few minutes would be recorded in the minds of millions as they watched the horror of the space craft launch itself into its own doom! Seconds went by and the space craft seemed to be okay from the spectators eyes, little did they know that at that second the left rocker had suddenly caught fire and the entire dream of the crew members and NASA was gone in less than 10 seconds.

The horror set in that their loved ones had perished right in front of their eyes and what had been a joyous mament would be remembered as the worst day of their lives. Seven crew members and a space shuttle perished in the deep blue sky. Their faces and courage will live on in our hearts as well as the history books on the shelves.

Love Met by Graduation

Bobo, I have to go
 Not because I won't ro-
 Because I have
 To live my life
 And pursue
 I'm not forgetting you.
 You have to stay
 So you may
 Have the opportunity
 To pursue your own dreams.
 And I know our dreams
 Will always include each other.
 And all the plans
 We've talked about
 Will become reality.
 I love you.
